

CLARENDON HOUSE CLARENDON SPRINGS, VERMONT

Clarendon Springs, oldest and best known mineral springs spa in Vermont in the early and mid 19th century, reportedly was discovered by pioneer settler, Asa Smith in 1776. Smith had dreamed of finding a spring, which he believed would restore his failing health. Drinking the water and applying water-saturated clay to his painful limbs, Smith soon found his health fully restored. Word of the miraculous cure spread quickly and to accomodate visitors from all over the U.S., a small hotel was erected on the site.

By 1834, Thomas McLaughlin built a three story brick hotel, replacing the smaller structure. Known as the Clarendon Springs Hotel, it was surrounded by great porches and stately columns in a style familar to its many Southern visitors. Today, it is used primarily to house antiques dispensed by Tony and Bonnie Costantino.

AUDITORS' REPORT

In accordance with section 1681 of title 24, V.S.A., we have examined the accounts and records of the Town of Clarendon. To the best of our knowledge the financial statements and reports show the financial activity and financial position of the Town for the fiscal year ended December 31, 1988.

The Clarendon Town School District financial records for the fiscal year ending June 30, 1988 have been audited by the accounting firm of Janssen Schmidt Associates P.C. of Rutland, Vermont. A copy of this report is available at the office of Superintendent of Schools, Clarendon, Vermont.

We have reviewed the above report and find that the financial statements printed in the annual report are consistent with the professional audit and fairly represent the financial condition of the Clarendon School District.

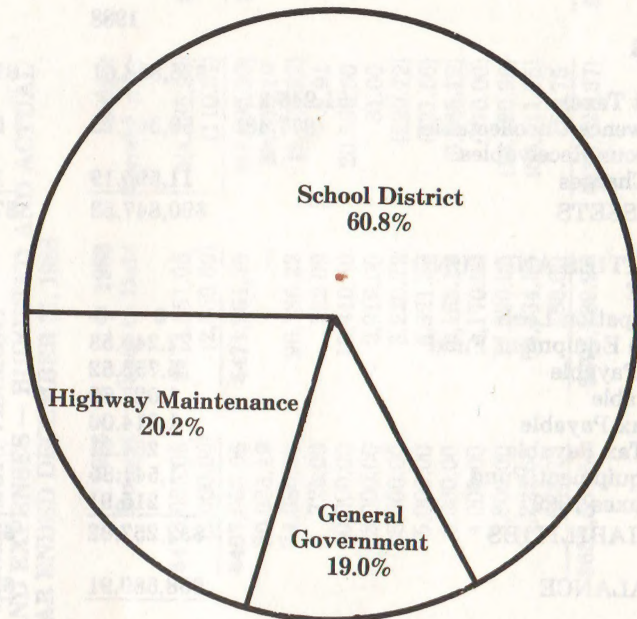

Auditors:

Yvette M.R. Bourassa
Arthur W. Knox, Sr.
William Weeks

1989 TOWN REPORT NOTICE

All Town Officers should have annual reports presented to the Town Clerk by January 10, 1990 for auditing purposes.

SOLID WASTE REPORT

RECYCLE

RECYCLE

RECYCLE

This is the only way to reduce the volume in the solid waste stream: *separate cans, take out both ends and flatten, "no charge".*

Separate bottles by color "no charge"

Separate cardboard "no charge"

Separate newspapers "no charge"

Only your efforts can cut the costs by reducing the volume.

Board of Selectmen,
Ralph Austin, Chairman
Alphonse Bourassa
James Doherty

TREE WARDEN REPORT

1988 was a year when many trees were removed along most roads in Town at a cost of \$2,000.00. Can you imagine how good the roadsides would look if the property owners would take the time to cut brush and small trees along the right-of-way on their properties.

Thank you.

Alphonse Bourassa
Tree Warden

CEMETERY COMMISSIONERS REPORT

The cemeteries were maintained this year at a cost of \$949.50.

Again this year we have a few plots left in the West Clarendon Cemetery which are available for \$300.00 for 2 plots and \$500.00 for 4 plots.

Respectfully Submitted,
Cemetery Commission
Ralph Austin
Alphonse Bourassa
James P. Doherty

SELECTMEN'S REPORT

The Clarendon Board of Selectmen meet at the town hall at 7 P.M. on the 2nd and 4th Mondays of each month. We would like to thank the many townspeople who attend our meetings regularly; we appreciate your support and assistance. All meetings are open to the public and everyone is encouraged to attend and participate.

Our highway crew, which consists of a Road Commissioner and 3 full-time employees, continues to work on ditching, paving and tree removal projects as well as the routine and winter maintenance. We presently have 4 trucks, a grader and a loader and 73 miles of road to care for in town. Equipment was updated this year with the addition of another truck radio and two slide-in sanders.

Traffic control and law-enforcement duties are constantly increasing as the town grows. To supplement the work done by our constables we have been using the Rutland County Sheriff's Dept. for daytime enforcement of traffic regulations. We recently hired a new Special Police Officer to operate our radar gun and help curb speeding and stop sign violations.

Numerous burglaries in town during the past few months have prompted residents to become more aware of possible suspicious activities in their neighborhoods and a Neighborhood Watch Group is being formed. Crimestoppers also has representatives in Clarendon and they have signs posted at entrance points in town. Town residents with 773- 775- or 747- phone exchanges will be able to use the 911 emergency call number, but are still advised to use the Fire Dept. number 775-0534 to call direct as volunteer firemen must be called out thru the pager system at the answering service.

Your ideas and views are valuable to us. We encourage you to participate in your town government and invite you to attend our meetings.

Ralph J. Austin, Chairman
Clarendon Board of Selectmen

TOWN CLERK REPORT

Since taking office in 1986, I have made an effort to gradually update office equipment without asking for a budget increase. Major purchases for 1988 were: map filing cabinet, desk, chairs and a postage machine.

Office hours have been extended to 4:00 P.M. on Mondays and Tuesdays.

If you are unable to come into the office during hours and need something such as a dog license or transfer station coupon, just call and I will mail it to you.

Joyce A. Pedone, Town Clerk

DOG LICENSES

NOTICE: All dogs 6 months of age and older, shall annually, on or before April 1st, be licensed. A current rabies certificate must be provided before a license may be issued.

Since April 1st falls on a Saturday this year, the Town Clerk's Office will be open on that day from 10:00 A.M. until 1:00 P.M.

1988 Licenses Issued:

MALES	127
FEMALES	67
NEUTERED MALES	114
SPAYED FEMALES	197
TOTAL	505

Kennel Permits: 5

VITAL RECORDS

After careful consideration, it has been decided to follow the recommendation of the Vermont Department of Health that all towns publish vital statistics, not names, in the town report. The main reason being an increase in the fraudulent use of birth certificates.

TOWN OF CLARENDON BOARD OF LISTERS

Due to "Error & Omissions" and growth of the town the Grand List FY88 grew by 9%. The Budget increase (from 87 to 88) by a 10% increase (\$111,022.51). With the growth of the Grand List FY88 our Tax Rate went up only 1.22% = 3¢ (1987 = tax rate \$2.44 per \$100 = 1988 = tax rate \$2.47 per \$100) due to the increase in the Grand List. Without this growth our est. tax rate could have been \$2.69 per \$100.

Nancy Decker and Cecil White have completed and passed all three courses the State offers. Course I — Cost; Course II — Market; Course III — Income. They have also received their designation of Vermont Property Evaluator, VPE. Arthur Knox has completed and passed Course I.

Reappraisal = Cooperation by ALL not just a few is needed for this to be finished. It will help greatly by speeding up this process. If reappraisal is not done due to lack of cooperation we will incur a large penalty which we will see in our taxes for 1989. The State requires that a town's fair market value be 80% or above. At last count Clarendon's is 57%.

If anyone has any questions or something we can help you with, please feel free to call us at 775-1536 Monday thru Friday 7:30 am to 3 pm.

Nancy A. Decker, VPE Chairman
Cecil White, VPE

RUTLAND REGIONAL COMMISSION

THIS YEAR IN CLARENDON THE REGIONAL COMMISSION:

- answered questions from local officials and citizens on various planning and zoning issues;

- met with local officials to discuss and get comments on the Regional Commission's programs for 1989;

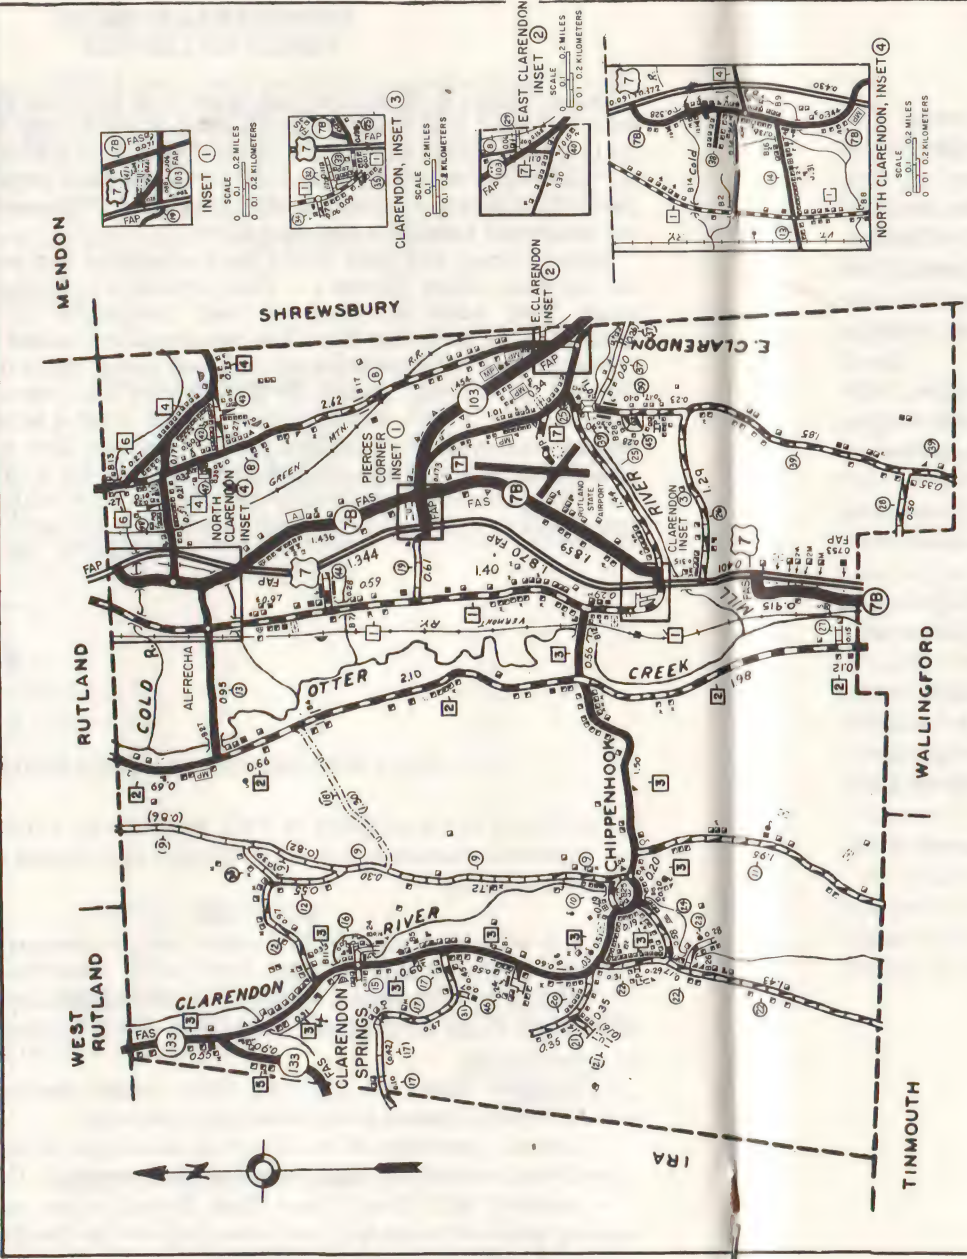

- worked with the Board of Selectmen on the development of a grant for solid waste funds for implementation of a user's fee program; the town was awarded \$8,000;

- provided model for updating flood hazard area regulations to bring them into conformance with federal requirements;

- involved members of the Board of Selectmen on Regional Commission committees considering changes to the structure of the Commission;

- involved Mill River Union High School in our cooperative fuel purchasing program which will lead to savings to the Town of Clarendon due to reduction in the fuel costs for MRUHS.

**CLARENDON VOLUNTEER FIRE DEPARTMENT
CLARENDON, VERMONT 05759**

In October 1988 we completed our 25th year as your Volunteer Fire Department. We wish to thank the townspeople for your support and assistance in the past years.

In 1988 the fire department budget was \$42,500 of which the men and auxiliary raised \$33,000 from weekly bingos, auction, work at the Rutland Fair and various other projects. This money was used to purchase: 3 additional pagers, butterfly gate for our pumper, explosion proof smoke ejector, 1100 gallon portable tank and a VCR to help improve our training during the winter months.

Our biggest accomplishment in 1988 was a one bay addition to the North Clarendon station to make room for a new pumper we hope to be able to purchase in 1989. This piece of equipment is needed for better fire protection due to the growth of the town.

In 1988 we received 49 emergency calls, which required 1,042 man hours and 201 equipment hours. The department went out of town on mutual aid 7 times and received mutual aid twice.

Clarendon fire department was represented in 6 parades throughout the year, and participated in various sporting competitions, coming home with 12 trophies.

The department has only 30 active firemen to fight fires and raise money for our expenses. More help would be appreciated from anyone who would be willing to donate their time to raise money or from anyone who would like to become a firefighter. For more information call 775-4274 for the Town Clerk or 775-4673 after hours.

I would like to thank all the firemen, ladies auxiliary and the people of the town for their help and support in the past and the future.

Respectfully submitted,
Phil Pinkowski, Jr., Fire Chief

**LADIES AUXILIARY
CLARENDON VOLUNTEER FIRE DEPARTMENT
CLARENDON, VERMONT 05759**

The Ladies Auxiliary had a successful 1988. We had 22 members for the year. Our meetings are held at 7:30 p.m. on the second Monday of each month. We welcome guests and new members.

Nine of our members attended the 99th Annual Vermont State Firefighters' Association Convention held in Brattleboro. Our ladies came home with four First places in Water Sports and three Parade trophies. In May the Auxiliary marched with the men in the Rutland City Loyalty Day Parade.

Our projects throughout the year were: We put on dinners for various organizations, Refreshments for a two day Fire School, Sold refreshments and rummage at the Firemen's Auction, Worked at the Fair, Fall Craft Fair, Fall dance, Sold raffle and Booster Club tickets, Sold refreshments and 50-50 tickets at the Firemen's weekly bingo.

In October the Fire Department marked its 25th Anniversary and the Auxiliary worked with the men to put on a Dinner Dance to celebrate the occasion.

December saw Santa arrive by fire truck to help the Auxiliary and Firemen with the Children's Christmas party.

The Auxiliary turned over \$4,000.00 to the men in 1988.

At our December meeting Officers for 1989 were elected:

President: Beverly Brown

Vice President: Tammy Parker

Secretary: Linda Rohs

Treasurer: Jean Murray

We thank the firemen and the many townspeople whose support and cooperation helped to make our 1988 year a successful one.

Respectfully submitted,
Beverly D. Brown, President

EMERGENCY MANAGEMENT A REPORT TO THE CITIZENS OF CLARENDON

The world we live in today is dangerous. Earthquakes, floods, winter storms, forest fires, airplane accidents, and hazardous chemicals threaten us. Extended breakdown of normal systems of distribution, communication, transportation, power supply, or other services will affect the lives of our citizens, some of whom could experience severe suffering if normal services are suspended.

On 7-25-1988 your appointed Emergency Managers began to develop a preparedness plan for our community with the help of our State Government and Town Officials. The Emergency Management Action Plan (EMAP) will consist of adaptable principles and procedures which are applicable in administering a variety of emergency situations. EMAP will walk us through the process of activation of our emergency operations centers, (2 to be in Clarendon) preliminary damage assessments, public assistance and rapid mobilization of all resources.

Volunteers to donate their time to this project are needed. For information call 773-3176.

Other programs Clarendon's Emergency Managers have provided or are working on are:

Determination of dangers to our community from natural and technological hazards,

Providing training and education to Emergency Services in our community.

Attendance at Emergency Management workshops in Clarendon and Waterbury.

This office has not needed financial support in fiscal year ending December 31, 1988.

James C. Peterson
Assistant Emergency
Management Officer

1988 ANNUAL REPORT RUTLAND COUNTY SOLID WASTE DISTRICT

Believing that a financially and environmentally balanced approach is necessary to meet the waste disposal crisis that threatens our region, the Rutland County Solid Waste District has established a three pronged plan. The District is vigorously working to site a regional landfill that can dispose of both raw waste and incinerator ash. Second, we are working to negotiate a new contract that will re-open the incineration plant at affordable rates and finally, we are working to recycle as much of the waste stream as we can to reduce both our total volume and cost.

While the District saw tipping fees escalate dramatically during 1988, and watched as Vicon was forced to declare bankruptcy, the year still showed progress. The incineration plant proved that it could operate efficiently and safely. At the close of 1988, we are negotiating with three companies interested in purchasing and operating the facility. With respect to landfills, we have completed the first of three screening phases for a new landfill and anticipate that the site selection process will be complete by the end of next summer. Finally, we have implementation plans well underway for both curbside and transfer station based recycling programs that should allow all communities to avoid high tipping fees on recyclable materials.

Vermont's Act 78 has set another agenda that will require long-term planning, education, user fees and more aggressive recycling and reduction of our wastes. During the coming year, we will be working with the Regional Commission to draft a regional solid waste management plan. As we strive to implement affordable, safe and effective strategies to dispose of waste, we will also be providing an on-going educational program on what we must do and what role each of us plays.

Respectfully Submitted,
Michael Samson
District Manager

RUTLAND AREA VISITING NURSE ASSOCIATION, INC.
PO Box 226, Flory Plaza
Center Rutland, Vermont 05736
ANNUAL REPORT — 1988

To: Citizens of Clarendon

1988 has been another busy year for the Rutland Area Visiting Nurse Association, Inc. The push to get people out of hospitals sooner has made our Agency busier providing more high tech nursing, as well as trying to meet the needs of the chronic long-term patient care.

We continue to have to fight to get Medicare payments to provide needed health care to the elderly. Insurance companies seem to pattern their payment methods after Medicare, so it continues to be a constant demand for more paperwork to get any payment. Many people that need care do not qualify under a payment program, so your Town funding helps us provide many needed health services.

We provided the following services in your town:

Unduplicated patients — 26

Skilled Nursing Care — 132 visits	Speech Therapy — 0 visits
Home Health Aide — 132 visits	Homemaker — 192 visits
Physical Therapy — 36 visits	Clinic Services — 2
Occupational Therapy — 0 visits	Prenatal Couples — 4

Health care provided in the home is becoming more popular. People want to stay at home as long as possible. We are here to support that concept and provide as many services as we can to make this a choice that your Town people have. We can only do this with your continued funding support. We are here to serve you and yours. We have staff on call 7 days a week, 24 hours a day. If you need help, call Rutland 775-0568 24 hours, 7 days a week; or Castleton 468-5668 or Brandon 247-3111 Monday-Friday, 8:00 AM - 4:00 PM.

Thank you for your continued financial help. We could not do it without your support.

Sincerely

Evelyn Doyle

Executive Director

VERMONT CENTER FOR INDEPENDENT LIVING

- * We are managed and staffed primarily by disabled Vermonters.
 - * We work with people having all types of disabilities.
 - * We work to empower disabled people to do things for themselves so that they have the ability to change their lives now and in the future.
 - * We house the most comprehensive centralized resource on disability information in Vermont and potentially New England.
 - * We work to help disabled people meet a broad range of needs:
 - increasing personal skills and abilities.
 - increasing the accessibility of homes and public buildings
 - getting adaptive equipment to increase mobility and independence
 - raising the awareness of disability issues in government, business and private sectors
 - providing information, technical assistance and consultation on virtually all disability issues
 - having the ability to work directly with other disabled people to create personal and community change
 - * We are a statewide organization with peer advocacy counselors based throughout Vermont and a toll-free telephone to our office.
 - * VCIL helps disabled people do things for themselves. We work *with* rather than *for*.
 - * We worked with over 3,000 disabled individuals, family members, and service providers last year.
 - * We are a private, non-profit (501(d)3) organization. All contributions are tax-deductible.
 - * We count on town allocations as a vitally important component of our ability to maintain services and balance our budget.
 - * We belong to the United Way of Chittenden, Lamoille, Washington, Windham, and Southern Windsor Counties.
 - * Our budget is approximately \$843,000 annually. It is made up of federal, state, United Way, foundation, fee-for-service, town, and private contribution funding.
 - * VCIL was founded in 1979 and currently employs 30 people, full or part-time.

**SOUTHWESTERN VERMONT AREA AGENCY ON AGING
REPORT TO THE RESIDENTS OF CLARENDON**

In fiscal year 1988, the Southwestern Vermont Area Agency on Aging served 102 residents of Clarendon with our meals program, senior advocate and other services. There were 1977 Meals on Wheels delivered to 15 homebound persons in Clarendon. Meals on Wheels are vital to many persons and help them to remain in their own homes. 1366 meals were served to residents of Clarendon in the Grange Hall. 54 Clarendon residents participated in that program. Senior Advocates assisted 33 Clarendon residents with a variety of services including applications and problem resolution in benefit programs such as Medicaid, Foodstamps, and S.S.I. Advocate staff also helped elders who had questions or problems related to health care payments, insurance claims, Vermont tax rebate claims and energy assistance.

The total expense of the agency attributed to delivery of services in Clarendon was \$26,187 for 1988. The town contributed \$650 toward the program costs. \$5160.21 in meal donations was received from seniors in Clarendon for congregate and home delivered meals. We are thankful for your help. State and federal funds, as well as participant donations made up the balance.

Services of our agency are available to anyone aged 60 or older. For further information about the services we provide, information about other services available to elders in our region or to make an appointment with a senior advocate, please call 775-0486. For meal reservations call Shirley St. John at 492-3525.

**RETIRED SENIOR VOLUNTEER PROGRAM
ANNUAL REPORT — 1988**

The Retired Senior Volunteer Program (RSVP) is a nationwide program for people 60 and older who want to help meet community needs through meaningful use of their skills and knowledge in volunteer service to non-profit organizations.

In 1987, 370 RSVP Volunteers contributed over 59,000 hours of service to more than 90 organizations in Rutland County.

The 11 active Town of North Clarendon volunteers have been donating their time to the following organizations: American Red Cross, Arts in Process, Art-in-the-Park, Eden Park Nursing Home, McKerley Health Center, Rutland County Diversion Program, Rutland Regional Medical Center, Rutland Senior Chorus, SW Vt. Area Agency on Aging Nutrition Project, WSYB Christmas Fund, Vt. Criminal Justice Council. To date, the combined hours of service totalled 1,067 in 1987.

We encourage and invite any senior citizen to call RSVP at 775-8220 to learn more about volunteering with the RSVP Program. The benefits are many: a sense of purpose, recognition, acceptance and the knowledge that you are contributing to your community.

Over the years the support that has been given RSVP by the voters of the Town of North Clarendon is greatly appreciated, and we thank you and pledge our continued efforts to be of service to you.

**THE GREEN MOUNTAIN COUNCIL
BOY SCOUTS OF AMERICA**

The Green Mountain Council, Boy Scouts of America is a statewide corporation dedicated to the support and extension of the Boy Scouting program in Vermont. During 1988 80 youngsters were involved in the program in the town of Clarendon.

The number represents:

6 Tiger Cubs for boys age 6 or in first grade

59 Cub Scouts for boys ages 7-10

15 Boy Scouts for boys ages 11-17

The leadership for this Scouting activity is provided by 46 of your neighbors who volunteer generously of their time.

The Green Mountain Council operates two camping facilities:

Sunrise Conference and Training Center at Benson, Vt. which serves as the Cub Scout camp.

Mt. Norris Scout Reservation, Eden, Vt. which is the Boy Scout camp.

The Council Service Center and administrative offices are located on U.S. Route 2 south of Waterbury.

While maintaining the fun and adventure for which Scouting is known, the program actively addresses such contemporary issues as child abuse, drug abuse, illiteracy, unemployment and hunger.

For additional information, please call the Green Mountain Council at 1-800-722-1270.

III. SUPERINTENDENT'S REPORT:

A. Enrollment:

The Clarendon Elementary School has 318 students enrolled for the 1988-89 school year. This is an increase of 17 students over last year and we expect this trend to continue for the next several years. The number of Clarendon students at Mill River is also up from last year. The total number of Clarendon students is 584 and this is an all time high for the town.

B. Personnel:

Teachers and other staff members, with their assignments, are listed on page one of this report. New members of the staff include: Shelia Gruber, Shelly Pilcher, Thomas Smith, Margaret Quinn, Susan Jepson, Kristal King, and Brenda Austin. We welcome the new staff members and, also, thank Carolyn Jackson, George Jackson and Zoe Ann Allen who have left Clarendon after numerous years of service. We wish them the best of luck.

C. Curriculum:

Efforts continue to upgrade the curriculum and instructional programs at the Clarendon Elementary School. A new guidance program has been initiated under the direction of David Rice, who has assumed the position of Director of Guidance for Rutland South Supervisory Union in grades K-12. Also, we would like to welcome Shayne Lylis, the new RSSU Director of Curriculum and Staff Development. She replaces Paul Tracy who left to take the position of Superintendent in the Rutland Central Supervisory Union. Under Shayne's direction, work continues on revisions to the social studies and science programs. In conjunction with curriculum changes, much work is being done to enhance the skills of our teachers. These and other changes will help us to achieve the goals of our school improvement plan and meet the requirements of the Vermont Public School Standards.

III. SUPERINTENDENT'S REPORT CONT.

D. School Facilities:

For several years Clarendon has been faced with overcrowded conditions at the elementary school and these critical needs are finally being resolved. On May 31, 1988 a \$995,412.00 bond issue was approved by the Clarendon voters for a new addition. In September, construction began on the project and completion is expected sometime in late spring of 1989. Occupancy is expected by September of the new school year. The new addition will provide much needed new classrooms, a new music room, an art/science room, a resource room, and additional administrative space. We thank the voters of Clarendon for their support of this project.

E. Budget and School Taxes:

The proposed budget for the 1989-90 school year is included in the financial statements within this report. The proposed budget has elementary school expenditures of \$1,308,577.00. The major increases are in the following areas: Instruction - for salaries and benefits for new teachers to serve additional students and reduce class sizes; Building - for increased costs of operation and maintenance; Debt Service - principal and interest costs on the new addition. A comparison of school taxes over the past several years is illustrated by the table below. At this time we can only estimate the amount of state aid we will receive for 1989-90.

	Actual 1987-88	Actual 1988-89	Proposed 1989-90
Elementary Taxes	-129,774	-232,249	-229,836
Mill River Assessment	834,769	966,376	1,055,300
Total	704,995	734,127	825,464

F. Assessment of Pupil Performance:

Clarendon Elementary School uses a variety of instruments to evaluate the academic progress of students. Among these are teacher made tests, criterion referenced test from textbooks, and standardized, norm referenced tests. The norm referenced test gives a picture of student progress as compared to a national sample. For the 1987-88 school year students in grades 2, 3, 4, and 6 were tested in reading and mathematics on the Stanford Achievement Test. The median test score for Clarendon students was above the national norm at all grade levels in reading. In mathematics, the median tests scores were above the national norm at all grade levels except grade 4. In addition to the above, Rutland South Supervisory Union is working on two other assessment instruments. A test for achievement of mathematics objectives is being perfected and administered to students at several grade levels. Also, a system for the evaluation of student writing is being developed and will be used in conjunction with samples of student work.

G. Special Education and Chapter I Programs:

The Rutland South Supervisory Union provides a small home based preschool program for four-year old children in Clarendon, Shrewsbury and Wallingford. Screening of all four year old children is provided in each town every September.

III. SUPERINTENDENT'S REPORT CONT.

- G. Special Education and Chapter I Programs Cont.
The Supervisory Union also provides remedial reading and math tutoring services to students through the Federally funded Chapter I Program. The Rutland South Supervisory Union is in compliance with P.L.94-142 and supports the goal of providing full educational opportunities for all handicapped children. Parents or others wishing to comment on these programs are welcome to contact the Superintendent of Schools, Henry J. Burnham. Telephone (802)775-3264.
- H. Nondiscrimination Policy:
The Clarendon Town School District offers employment and educational opportunities without regard to sex, race, color, national origin or handicap. Inquiries regarding this nondiscrimination policy may be directed to: Henry J. Burnham, Superintendent. Telephone (802)775-3264.

AUSTRALIAN BALLOT RESULTS (cont.)

Article 18. Shall the Town instruct (advise) our legislators to vote to amend the Vermont Constitution by adding a municipal "homerule" Amendment worded as follows:

To reaffirm the customary and traditional liberties of the people with respect to the conduct of their local government and to grant and confirm to the people the right of self-government in local matters, the voters of any organized city, town or village shall have the power to adopt, alter and amend a charter on all matters, not specifically prohibited by the Constitution or general law, which are local and municipal in character. If a charter adoption, alteration or amendment is approved by a majority of the voters voting thereon, it shall become effective on the first day of the next succeeding municipal fiscal year unless otherwise specified in the charter. This power shall be in addition to powers specifically granted cities, towns and villages through legislation. This section shall be liberally construed in favor of municipalities.
